## Announcements

### NO HATE ZONE

At Miramonte, we believe in respect, kindness, and belonging for every student. Hate speech of any kind, including racial slurs, harmful posts, or discriminatory behavior, goes against our values and district policies, and it carries serious consequences. This week, our admin team is reinforcing the expectations of our district-wide NO HATE ZONE campaign and reminding students during our Grade-Level Presentations that Miramonte is a place where everyone deserves to feel safe and included.

**Parking:** There is NO parking in the warehouse area beyond the tennis courts. Students are NOT allowed to park in staff parking. Tickets will be issued for this.

Students MUST always have their parking permit displayed in the window. Tickets will be issued for illegal parking and not displaying parking permits.

**Parking:** A reminder to those who drop off or pick up Miramonte students: please do not use the main entrance and exit of the Miramonte Gardens housing complex (located at Miramonte Dr./Moraga Way just south of campus) to drop off or pick up students or to turn around. This is a private street. Thank you, Miramonte community, for being good neighbors!

**Lunch time:** Please clean up your trash at lunch! The custodial staff has been working extra hard to clean up after students at lunch time!

**After school safety:** When crossing Ivy Drive, please use the designated crosswalks and only cross the street when you are allowed. It is very dangerous to run between cars and cross when there is a red hand.

**Restroom Cleanliness:** Please do not make a mess of the restrooms. Leaving paper towels all over the floor just causes our hard working custodial staff, much more work. Thank you!

**Vending Machines:** Can only be used during: Brunch, Lunch, Passing Periods, Before and After School

**Machines **CAN NOT** be used during class!**
