Yearbook Information:

- 1. Senior ads can be bought on the site <u>yearbookordercenter.com</u>. When parents arrive at that site, they can put in the code 6301 when prompted. This will take them to the Miramonte yearbook order area. Underneath the "order a yearbook" button, there should be an area that says "share your love" with a "start your ad" button. Parents can then follow the instructions given to them as they go through the process.
- 2. EShare is Varsity Yearbook's online way of allowing students/parents/teachers to upload photos they would like featured in the yearbook. At the moment, we are looking for photos of: work/volunteering, holidays/break, summer, senior events, dances, school sports, club sports, debate, languages, and anything else students may deem appropriate and applicable. If they go to yearbookshare.com, they can put in the code "gomats" to upload photos to our portal.

NO HATE ZONE

At Miramonte, we believe in respect, kindness, and belonging for every student. Hate speech of any kind, including racial slurs, harmful posts, or discriminatory behavior, goes against our values and district policies, and it carries serious consequences. This week, our admin team is reinforcing the expectations of our district-wide <u>NO HATE ZONE</u> campaign and reminding students during our Grade-Level Presentations that Miramonte is a place where everyone deserves to feel safe and included.

Students have a variety of program areas to choose from, each of which cater to different interests. For example, students can participate in media, debate bills on the national and international scale, review a court case, and more. There is truly something for everyone.

Diablo Valley is the delegation of the East Bay and we currently have students from Campolindo, Miramonte, Monte Vista, San Ramon Valley, and we used to have members from Acalanes but they all just graduated.

Sign-up to volunteer at Wanger Ranch's Annual Fundraiser on Nov 16 at Lafayette Veterans Centre.

Anything happening from 6-10pm will be AT the event and would require the volunteer to dress up (cocktail attire).

NO HATE ZONE

At Miramonte, we believe in respect, kindness, and belonging for every student. Hate speech of any kind, including racial slurs, harmful posts, or discriminatory behavior, goes against our values and district policies, and it carries serious consequences. This week, our admin team is reinforcing the expectations of our district-wide <u>NO HATE ZONE</u> campaign and reminding students during our Grade-Level Presentations that Miramonte is a place where everyone deserves to feel safe and included.

Miramonte Communication Guide

Parking: There is NO parking in the warehouse area beyond the tennis courts. Students are NOT allowed to park in staff parking. Tickets will be issued for this.

Students MUST always have their parking permit displayed in the window. Tickets will be issued for illegal parking and not displaying parking permits.

Parking: A reminder to those who drop off or pick up Miramonte students: please do not use the main entrance and exit of the Miramonte Gardens housing complex (located at Miramonte Dr./Moraga Way just south of campus) to drop off or pick up students or to turn around. This is a private street. Thank you, Miramonte community, for being good neighbors!

Lunch time: Please clean up your trash at lunch! The custodial staff has been working extra hard to clean up after students at lunch time!

After school safety: When crossing Ivy Drive, please use the designated crosswalks and only cross the street when you are allowed. It is very dangerous to run between cars and cross when there is a red hand.

Restroom Cleanliness: Please do not make a mess of the restrooms. Leaving paper towels all over the floor just causes our hard working custodial staff, much more work. Thank you!

Vending Machines: Can only be used during: Brunch, Lunch, Passing Periods, Before and After School

Machines CAN NOT be used during class!
