Parent/Guardian Notification for Your Student-Led Conference

Dear Parent or Guardian,

It is time for Spring conferences! For this round, to empower students to reflect on their goals for the year, we will be using the Student Led Conference structure. As your student's advisor, I am scheduling 15-20 minute SLC's for 11/18-11/20 or by appointment.

Students will sign up, after conferring with their parent/guardian, on Sign Up Genius for one of the time slots. There are 3 openings for each time slot. If the times on these dates do not work for you, please let me know and we will work to schedule an alternative time for your student's SLC. Zoom is also an option for SLCs if in-person does not work.

The Student-Led Conference is an opportunity for your student to present to you their strengths and areas of growth as a learner as well as a place to set goals for high school and beyond. It is also an opportunity for you to remain involved as your student develops a plan for successful completion of high school, college, and career goals.

It is our goal that every student here at Raisbeck participates in a Student-Led Conference along with a parent, guardian, or other caring adult on conference day. I look forward to seeing you at your student's SLC!

Sincerely,
Tony Nipert
