Re: A Glimpse into the future of social media, 20M views

Dear Tully-Rinckey PLLC and Judge McGinty,

My name is Alisha Clark Walker, defendant and New York legal abuse victim and Legal Abuse advocate in *Walker v. Walker, 2018*. And for a few minutes of your time, I would like to invite you a small glimpse into your political future.....

I am writing to you on behalf of the Kassenoff children Allison, Charlotte and Joanne and also the Walker Children, Rosie and Trey Walker. Catherine Kassenoff, was a federal prosecutor for New York. She was a special counsel for the Office of the governor from March 2015-Feb. 2022 until Allan filed fraudulent criminal charges against Catherine. Allen Kassenoff abused her in front of the children and abused the children as well. There was an investigation by CPS and the abuse was founded. However, since the New York family law kangaroo courts do not take abuse of children into account, the children were awarded to the abuser and in May 2023 the court ordered that Catherine have no contact with her children. The mother, on this case, is now dead (assisted suicide in Switzerland). She had terminal cancer and was unable to fight for the protection of the children. She also could not continue to endure the abuse perpetrated by Allen Kassenoff. He physically, mentally, emotionally and financially abused her and deprived the children of a loving mother. Now the children are at the complete and total mercy of this abuser.

This unfortunate story of just another Abusive New York Judge playing musical chairs within the system, has been quite the social media chatter lately. Thankfully this story on Tik Tok by Robbie Harvey Show [\[link\]](#) has gone viral with over **20 MILLION VIEWS** in just a few days. Kassenoff's children Allison, Charlotte and Joanne's home address is 161 Beach Ave. Larchmont New York 10538 telephone (917) 623-8353. Their father Allen Andrew Kassenoff is very abusive. He is a high powered attorney that gained custody of the children through a defect in the child protection system. He is a partner at Greenberg, Traurig LLP [\[link\]](#).

On behalf of deceased Catherine Kassenoff, her children and my own children who I've had no contact with for over 2 years, I will pray your law firm gets the fraction of the same social media attention. Tully-Rinckey harbors convicted rapists through litigation in "scorched earth policies." This is a precarious situation for the children.

Sincerely,

Alisha Clark Walker
