

Mark Wilkinson,

Hello my name is Sarah Wilkinson, and I am writing to you because I need more information for a project I am working on. For this project I am researching our family history and I need additional information on my relatives. I am writing this letter to you because you know a lot of our family members and facts about them, and I was hoping you could help me learn and discover that information too.

I will be researching our family history through seven different projects, and I hope to have your help in obtaining more information that could help me throughout these projects. I am hoping that you can send me some resources that could assist me with my multiple projects over our family history, such as additional information, pictures, and interesting facts.

Thank you for taking the time for reading this and for helping me obtain more information more about our family history, that will help me improve my class projects.

Sincerely,

Sarah Wilkinson
