

Privacy Policy

This privacy policy has been compiled to better serve those who are concerned with how their 'Personally Identifiable Information' (PII) is being used online. PII, as described in US privacy law and information security, is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context. Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect or otherwise handle your Personally Identifiable Information in accordance with our website.

Families Policy Requirements

"Dentokids is designed for families and is committed to providing a safe and appropriate experience for all ages. Our app does not contain any content that is violent, sexual, or otherwise inappropriate for children. Additionally, we do not use language or imagery that is likely to be offensive or disturbing to children. We do not use personal information from children without obtaining verifiable parental consent and we do not include any in-app purchases or advertisements that are targeted at children. Our app also includes features that are designed to encourage children to make impulse purchases or to otherwise spend money without their parents' permission. We do not include any links to external websites or social media platforms that are not appropriate for children, and we do not include any social features that allow children to interact with strangers. We are dedicated to ensuring that our app is compliant with the Families Policy Requirements set by Google Play Store."

Do we use 'cookies'?

We do not use cookies for tracking purposes

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser settings. Since browser is a little different, look at your browser's Help Menu to learn the correct way to modify your cookies.

If you turn cookies off, some features will be disabled. that make your site experience more efficient and may not function properly.

However, you will still be able to place orders .

Third-party disclosure

We do not sell, trade, or otherwise transfer to outside parties your Personally Identifiable Information.

Third-party links

We do not include or offer third-party products or services on our website.

COPPA (Children Online Privacy Protection Act)

When it comes to the collection of personal information from children under the age of 13 years old, the Children's Online Privacy Protection Act (COPPA) puts parents in control. The Federal Trade Commission, United States' consumer protection agency, enforces the COPPA Rule, which spells out what operators of websites and online services must do to protect children's privacy and safety online.

"Dentokids does not collect, store, or share any personal information from users. We value your privacy and are committed to protecting your data. We do not require any personal information to use our app, and all data used by the app is stored locally on your device."
