I understand and acknowledge the following:

- i. If the number of applications for the grade level and school building referenced above is less than the number of available seats for that grade level in the school building, the nonresident student listed above will be accepted for enrollment and attendance at the school district for the 2025-2026 school year and will be permitted to continue enrollment and attendance in the district, unless such student is no longer deemed by the district administration to be in good standing.
- ii. If the number of applications for a grade level in a school building referenced above is greater than the number of available seats for the grade level in the school building, district administration shall accept students based on priority enrollment status first. If capacity remains after accepting priority enrollment students, the administration will randomly select nonresident student applicants for enrollment using a confidential lottery process that will be completed on or before July 31 of each year.
- iii. If the nonresident student named above is not accepted for or denied enrollment, the district will provide to the parent or person acting as a parent of the nonresident student the reason for the nonacceptance or denial and an explanation of the nonresident student selection process.
