### Abstract

This document serves as the template for all **abstracts** submitted to the *2026 Symposium on Thermodynamics & Process Systems Engineering*. Each **abstract** is *limited to one page*. All submissions will be sent for review. The acceptance of the submitted abstract and the format of its presentation (*oral* or *poster*) at the conference will be evaluated based on the comments of the reviewers and *the preference of the authors*.

The accepted abstracts will be published in the *Book of Abstracts* in black and white. Please use this template when preparing your abstracts. This will ensure a uniform format in the publication.

*Please submit your abstracts in a word file to Miss Tsai ([tinghua@ntu.edu.tw](mailto:tinghua@ntu.edu.tw))*. Should you have any queries, please contact Miss Ciou via Email. Thank you very much.

**Keywords:** Thermodynamics, Molecular Simulation; Synthesis; Design; Optimization; Operation; Control; Education.
