Mt. Pleasant Public Schools will cover the costs for a student's dual enrollment based on the number of courses the student is enrolled at MPHS versus CMU/MMC. The dollar amount is based on the estimated state portion of the district's foundation allowance adjusted for the proportion of the school year that the student attends the post-secondary institution.

Please deduct the amount circled above from your total billing and pay the remainder by the due date to avoid any late fees.

***Please refer to the Dual Enrollment info/FAQ's on the Counseling web page for more information about dual enrollment eligibility, policies, etc.**
