It was COLD

No one was there

There was only one guy

He was sitting alone on a bench

He was SAD

He was WEAK

He was ALONE

Some people started passing through him but no one was looking at him

He was the embodiment of weakness

His name was JAMES

JAMES had a good job in a big company

JAMES had a good salary

HOWEVER

JAMES wasn't respected by anyone

JAMES was thrown away inside his society

JAMES wanted to change

JAMES wanted to thrive

JAMES wanted to break out of his own prison

First, he started to think that he is not making enough money

So he tried to do so

JAMES failed as expected

He thought he's having problems because he doesn't have a girlfriend

JAMES tried and failed again as expected

He thought the problem is his style of clothing

AGAIN ...

JAMES failed

Finally JAMES started being honest with himself

One night, after a shower

JAMES was looking at himself in the mirror, asking himself why he's always losing

He was scratching his head questioning

Then, it stroke him

Maybe because he is weak

JAMES promised himself to register in a gym the next morning

JAMES finally took the right step

6 months later

JAMES has a girlfriend

JAMES got a promotion

JAMES is looking better than ever

JAMES is a total different person

JAMES finally did it

JAMES finally found the answer

So why can't you?

You think JAMES is so special

JAMES is not a person

JAMES is an idea

We all have a version of JAMES inside of us

Wake him up

CHANGE

IT IS TIME

TOMORROW IS TOO LATE
