The Firebird Fun Run Fundraising Campaign is in its third year! Our goal is to raise \$300,000 over five years. In 2019 and 2022, we raised a total of \$113,500 (the race was canceled in 2020 and 2021 due to COVID-19). This year's goal is to raise \$65,000!

All funds raised will go towards installing artificial turf at our elementary school, in the field between the blacktop and the mulched playground. If each student raises \$85, we will meet our goal for this year. Funds raised are for participation, not on a per-lap basis.

Donations can be credited toward your family's 35-hour service commitment at one hour per \$10 donation. A \$350 donation can fulfill your family's commitment! To record this, please update your HelpCounter School Volunteer Account and enter your hours as a monetary donation.
