

STORY 1

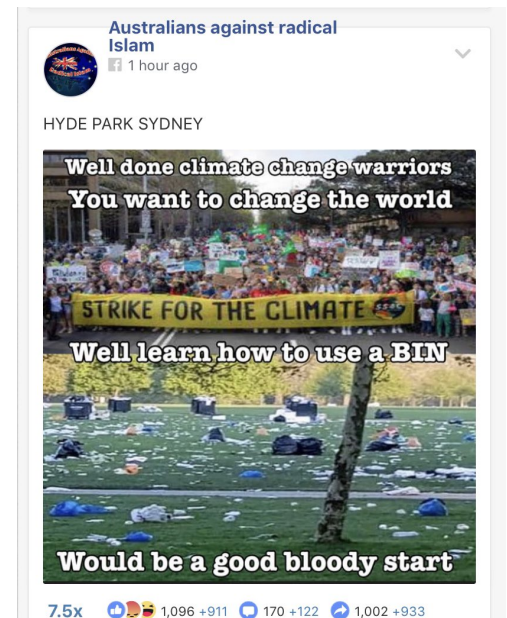

Well done climate change warriors, you want to change the world. Well learn how to use a BIN would be a good bloody start.

Source: Australians against radical Islam on FB

Where Seen: Facebook & Twitter

Are others covering this?: Various different versions of the meme have been seen online this year, and some are just sharing the photo.

Gist: The photo shows a gathering with a sign saying “strike for the climate” and a second picture shows lots of rubbish left on the ground in a park. The post says this was Hyde Park in Sydney and suggests it was after last weeks climate strikes.

STORY 2

Alien enthusiasts shot dead at Area 51

Source: LA Times

Where Seen: Facebook & Twitter

Are others covering this?: Lots of coverage for the Storm Area 51 event, no-one reporting any deaths.

Gist: A simple headline being shared that suggests multiple deaths at the Area 51 events this past weekend.

Nikola Tesla describing a Cell Phone in 1926

Source: Poster on Imgur in September 2019

Where Seen: Facebook & Twitter

Are others covering this?:

Gist: This is a supposed quote from Tesla, describing what sounds a lot like a mobile phone, many decades before it was invented.

Nikolai Tesla Describing the Cell Phone in 1926.

Robin Williams Cheered up a Paralyzed Christopher Reeve by Pretending to be a Proctologist

Source: Clips of Our Past shared the image, which is tagged as @WeirdWorldInsta.

Where Seen: Facebook, shared over 55k times

Gist: When Christopher Reeve was in the hospital after the riding accident that paralyzed him, Robin Williams burst through the door wearing scrubs and announced in a Russian accent that he was a proctologist and needed to examine him immediately. Reeve said it was the first time he'd laughed since the accident, and from that moment on he knew that life was going to be OK.
