

Fire Safety Week

Students will learn about fire safety during the week of Oct. 10-12. We will be looking at a Lac du Flambeau Fire Truck and meeting Smokey the Bear on **Thursday, October 12. Our program will be from 9:45-10:15** and Smokey the Bear will join the students outside for recess at 11:00.

Please talk with your child about fire safety at home and practice a home fire drill and meeting place. Students will receive a flashlight and a fire hat to take home. Thank you to the Lac du Flambeau Fire Department!
