

TOPSAIL MIDDLE SCHOOL

EC DEPT. WEEKLY NEWS & UPDATES

Week of OCT 23, 22

Principal: J. Lawrence || Assistant Principals: E. Rady & J. Boyles

Parents, please remember student drop off time is 7:05–7:30.

● **SUSTAINED – YATES:** For math this week students will be working on ratios. In science, we will be diving into the weather!

● **SUSTAINED – WILLIAMSON:** In language arts students will work on spelling and Membean, as well as the class novel, "Freak the Mighty". In social studies, students will learn about Canada, the continents, and the oceans.

Adaptive – Dinkins: Students will continue the science unit in Unique, read about Nemo's Garden and do a cooking activity related to the story! Students will be relocated to a hut for the duration of the mold remediation process. We will keep you posted as anything changes.

Adaptive - Roman: Students will continue to work on the Unique monthly chapter book, "School Science Fair". We will dive deeper into our vocabulary words, build on our money math skills, and complete some fun Halloween related activities. Please remember this week we will be relocating to a hut for the mold remediation project happening in our classroom. Drop off and pick up will be in the same location. This is expected to last only through the week.

TOPSAIL MIDDLE SCHOOL

EC DEPT. WEEKLY NEWS & UPDATES

Week of OCT 23, 22

Principal: J. Lawrence || Assistant Principals: E. Rady & J. Boyles

Our field trip to Halyburton Park in Wilmington was a great success. The students enjoyed a brief class on reptiles, got to meet and pet Ben the turtle and played for a brief moment in the park. It was a nice quick trip to get out and enjoy the fresh air.

Students are participating in the weekly PARTNER UP, POWER UP program to prepare them for the Spring Special Olympics. As TMS is a UNIFIED school, we have several general education students as well as the sustained classes that join in. We dance, do exercises, and stretch with several other schools (virtually) across the state! It is a BLAST.
