## Records

This is Nancy (Brown) Prue and I read where you were going to put together a record book. I don't want to sound conceited, but from 1974 - 1977 I held the records for the 80 yd. low hurdles, 100 and 220 yard dashes. I have always been curious to see if they are still a record or not. I don't know who would have any information on this. I did notice for the boy's 100 meter they have Kevin Morgan (he was in my class) down as record holder. So, somehow that have that info from somewhere on the boys, not sure about the girls.
