

In a movie theater popcorn bag, the last remaining popcorn kernels begin to remain calm after the last attack from the HANDS OF PEOPLE. COL. KETTLE attempts to raise morale.

COL. KETTLE

Forgive me for losing my cool, but we are all that's left of the Redenbacher Battalion. I know it might be scary to be among the last surviving popcorn kernels in the bag, but we will survive! If we stick together, we will—

Suddenly, a hand enters the popcorn bag and begins to fish for some popcorn.

COL. KETTLE

AGGHH! OH GOD! OH MY GOD! WE'RE UNDER ATTACK!
EVERY KERNEL FOR THEMSELVES! WE'RE GONNA DIE!
WE'RE ALL GONNA DIE! MOMMY!

The hand leaves the popcorn bag as COL. KETTLE panics. It takes a moment for COL. KETTLE to realize they're still alive.

COL. KETTLE

I'M ALIVE?!?!

COL. KETTLE takes a deep breath as they try to regain their composure.

COL. KETTLE

Okay. Sorry about that.

COL. KETTLE sighs as the audio loops back to the beginning.
