Applications are invited from suitably qualified candidates for a full-time, one year fixed-term position as a Postdoctoral Researcher/Economist at the Centre for Economic and Social Research on Dementia. This position is funded by the Health Research Board and is available from 1 January 2019 to 31st December 2019.

Job Description:

The successful candidate will carry out economic research at the Centre for Economic and Social Research on Dementia. Specifically, the successful candidate will work on datasets modelling resource allocation in dementia care, as well as undertaking cost effectiveness analysis in psychosocial care for people with dementia. The successful candidate will also lead on the analysis of a discrete choice experiment in home care

for people with dementia. She/he will also work on a Cochrane Review of palliative care interventions in advanced dementia.

Qualifications, Skills and Experience

Essential Criteria Required:

- PhD in Economics
- Postdoctoral experience of at least 18 months
- At least five published peer-reviewed papers
- Excellent and evidenced IT Skills, specifically in database management skills.
- Experience in carrying out Discrete Choice Experiments

Desirable Criteria Required:

- Excellent communication, including proven ability in writing skills.

Salary: €40,662 per annum (fixed) Start date: 1st January 2019
