

5335 Kesslersville Road, Easton, Pennsylvania 18040-6799

Dear Parent/Guardian and Student:

Congratulations and welcome to the Welding Technology program.

Students in the welding technology program learn the principles of welding, various welding processes, safety procedures, and welding symbol interpretation. Students upon completion of the required tasks will have the opportunity to earn various industry certifications which will enable them to seek an entry level position in industry.

**Important: Students may not wear contact lenses in the lab/shop areas for safety reasons.**

**REQUIRED EQUIPMENT OR TOOLS:** (expected each day)

1. Navy Blue 100% Cotton Long-Sleeve Work Shirt. **NOTE:** No open top pockets on the shirts. Flap pockets are ok.
2. Navy Blue Cotton Work Pants. **NOTE:** Jeans are UNACCEPTABLE

Uniforms are to be purchased through our online store: <https://citvt.estore.shop/welding-technology>

3. Steel-tipped work boots, high topped.
4. 2" Binder with notebook paper.
5. Ten-foot or longer tape measure.
6. Scientific calculator. (Needs to have SIN, COS, TAN)
7. Pencil or pen.
8. Safety glasses: Clear lens only, must meet ANSI (American National Standards Institute) standards.
9. Heavy Duty Welding Gloves (Stick)-Amazon \$8-\$12
10. Welding Helmet-Fixed Shade #10/Auto Darkening helmet.

Again, congratulations on your selection and best wishes to you for the successful completion of this program. If you have any questions concerning enrollment, contact Student Services (610) 258-2857 x3623.

**For more program details visit: [www.citvt.com](http://www.citvt.com)**

Sincerely,

*Eric Coughlan*
