

# MONTICELLO LIVE(ish) DOC

**Everyone should enter through the front entrance of our middle school and then proceed to the cafeteria. The high school is giving the SAT so no one should attempt to enter the high school. The middle school is located immediately past the high school when driving up past the high school. Our high school campus is still under significant construction. It will be easy to notice the construction when pulling onto Breakey Avenue.**

Please arrive between 9:30 and 9:45 AM

The schedule for the day is: CORRECTED!
