Students enrolled into Electives will receive a free half hour of after school care before the start of their class.

CAMPS

When school is not in session, the Enrichment Department offers Special Day Camps. All camps are geared for students in Kindergarten through 7th grade. To register for a camp, visit **RanchoChristian.org/Enrichment** and click on the Camps tab. We offer half and full day options for our families.

EXTENDED CARE

The Rancho Christian School Enrichment Program is not your normal after school daycare. We have activities that stimulate our students' heads, hearts, and hands by experiencing fun and active learning through games, crafts, reading and outdoor activities, all while building friendships. Enrichment also provides h2 (homework helpers) where students are able to complete homework in a quiet environment. We look forward to caring for your child in our Christ-centered program.

It is the parent's responsibility to sign in/out their student with the staff member on duty. It is our top priority to ensure your child's safety while in our care. Please have your I.D. with you at all times. Children will not be released to anyone who is not on the student's Rancho Central account.

- Registration for Extended Care is **required** through **Homeroom**. An account must be created in order for your child to attend Extended Care. Registration is only required once for the entire school year.

Visit **RanchoChristian.org/Enrichment** to see all of our offerings and to download forms.

- Parents will sign in their child for morning Extended Care using your Homeroom four digit pin number and your classroom teacher will check in your child if not picked up by 3:05 PM.
