QUESTLINE:

THE TRANSFORMATION SHOW

Please complete all tasks of this quest to receive your reward and progress further.

Go to Spiritvania.

My old friend Bartolomeo kindly invited me to the grandest transformation show ever. It sounded very intriguing!

Reward : 100 

Hello! I hope I'm on time!

As always, I'm getting the stage ready.

Great, I'll help.

Just tell me, who will you be turning the assistants into?

You'll see! I hope you have some garlic with you.

We won't need any garlic, it's just a silly trick after all.

Victor, what brings you here?

I wanted to see real magic, but all I got was charlatanism.

That's fine, though. I'll show you what a real show is!

Sounds terrifying. Well, let's deal with the stage!

GETTING THE STAGE READY

*The newly made vampires look quite natural!
Now we'll prove that they also feel like real vampires!
Is it safe?
Of course! First, let's make a special drink for them.
Then we'll make one of them disappear in the mirrors.
And show how moonlight affects vampires!
Sounds interesting! Victor would love it. Where is he, by the way?
He's tiring himself out over some of his scientific apparatus.
Alright, let's get started. Maybe he'll give up and join us.*

So, my charges have all the distinctive features of real vampires.

Hypnosis is a great power!

Science is a great power! Ladies, gentlemen, and vampires! Behold a true miracle!

Victor, who are they?!

Friendly ghosts...

Do they look friendly to you with those rifles?!
Hmm... I think I got some of the formulas wrong...
Victor, why are they looking at me so weird?! Aaaaah!
Maybe they're friendly nonetheless?
Are you kidding?! Let's go after them! We have to save Bartolomeo!

THE KIDNAPPING

Please complete all tasks of this quest to receive your reward and progress further.

Find Bartolomeo in Spiritvania.

Luckily, Victor's ghosts hadn't dragged our friend into another dimension: we could clearly hear Bartolomeo's voice. We just needed to rush to his aid!

Reward : 4 

Ho-ho-ho-ho! I already forgot how much fun the world of the living is!
Oh no! They want to eat Bartolomeo!
But that doesn't make sense! They're ghosts. They don't have that need, and actually...
Does it look to you like they're making this soup for me?!
And hung me over the cauldron because there was no chair for the guest?!
Bartolomeo, did they add salt to the soup?
Are you kidding me?! Ask for a spoon and try it!

*Don't shout! If they did add salt, there must be salt deposits here!
True! Salt cartridges! That's exactly what we need.*

*If you don't mind, I'm gonna go see my vampires.
Of course. It's time to transform them back before they start mastering vampire cuisine.*

What have you done? Why did you open the passage?

I'm sorry, who are you?

I'm Susana! And I demand that you bring all the inhabitants of my world back! Now!

It's our holiday, Day of the Dead... And we don't belong among your pumpkins!

I'm sorry, but I really don't know how... It was an accident.

Oh heavens! Why do I have to deal with such idiots even after death?!

Follow me. Susana knows what to do!

THE UNUSUAL GUIDE

Please complete all tasks of this quest to receive your reward and progress further.

Go to Volcanic Island.

Unexpectedly, we found ourselves next to a huge active volcano! There was definitely some mysticism involved...

Reward : 75 

*Well, what are you waiting for? Let's go, the passage is close!
But there's lava all around here...*

*Well, you managed to pull me out of the world of the dead...
I think you can also figure out how to get across the lava too.
And hurry! We need to point the way to the passage.
And the way must be bright so that the spirits can see it.*

THE SCALDING OBSTACLE

Go through the Lava on Volcanic Island.

The lava was scorching hot, but our conscience and Susana's watchful eye didn't allow us to turn back.

Reward : 100

I can't go any further...

To see the portal of the world of the dead, you have to show that you are part of that world.

Well, since I started all this, I'm ready to go all the way.

Oh, how selfless!

No sacrifices needed. We are all part of this world.

For now, you can just decorate the empty pedestals with calaveras.

To pay tribute to the spirits.

And then we will lay out the way to the portal with bright marigolds.

Oh, we'll do that in no time!

 They're ghosts! They don't have that need, they'd let him go.
 I told you!
 All we need to do is light the candles, and we can say goodbye.*

That's right. Let's go and tell Bartolomeo about your philosophical discovery.

Thanks for your help!
