Hampton School District was impacted by the storm that hit early this morning.

The District did receive damages and we have crews working onsite now. Thankfully, we have received no reports of injury.

We plan to return to educating students on Tuesday, January 16, 2024, with weather permitting. We are out of school Monday for the holiday, but due to the possibility of inclement weather moving through our area Monday and Tuesday please watch for notifications regarding any delays or closures if necessary.

Thank you to everyone that helped in any way during this time. You are greatly appreciated!

Sincerely,

Matt Scarbrough
