🔗 Artwork/Characters

- My art is not free to be used as lineart or turned into a base.
- You *may* reference my art style, but please do not directly trace or steal any of my art/characters. You do not have to credit as long as it's just style reference but it is appreciated.
- Do NOT directly copy/heavily reference my art to the point it looks like a copy.

🔗 Commissions

- I accept USD payments primarily through **Ko-fi** or **PayPal** only in case you can't use Ko-fi.
 - I do NOT take Deviantart points, Amino coins, Bitcoins or any other payment token.
- My turn around time typically is less than a month.
- You must provide a clear reference and detailed description of what you want.
- You may not ask for significant changes of the design after the entire process is finished. I will provide sketches throughout- so ask for changes during the sketching phase.
- Payment is sent upfront or after a first rough sketch is approved.
- You may not cancel or demand a refund under any circumstances after payment is received.
- **If you file a chargeback, rights to the art/character are immediately revoked.**
 - You will be forbidden to ever commission me and you will be placed on a *public* blacklist with proof to warn others.
 - These same rules will apply in case you do not follow any of the other terms.

- I will NOT draw things that I am uncomfortable with. I as the artist have the right to decline any request or commission that I do not wish to take on.
 - Things I WILL NOT draw: mechas, gore, complicated backgrounds, copy of any other art style, cishet nsfw, hate symbols/any bigoted material.
 - Things I WILL draw: literally anything that is not in my will not, ask first just in case. Yes, I do nsfw commissions.
