

Holly Hill Family,

I generally write to you each year about a foundation I am a part of – Hope and Equip. It is a 501c3, and its mission is to facilitate Kingdom growth throughout the world by empowering people through agricultural, educational, financial, medical, recreational, and vocational ministries. Thousands of lives have been impacted and over \$1,000,000 has been donated to partners such as Great Cities Missions, Berry's Chapel church of Christ, Rwanda Children, and John 3:17 Ministry in Arkansas just to name a few. 100% of every dollar given to Hope & Equip goes directly toward our work and the people we serve. We have partnered with Holly Hill in helping our missionary efforts in Guines, Cuba and in Potrerillos, Honduras.

It may not be possible for you, but I hope you can attend a special event on **October 17th** in Franklin, TN, supporting *Hope & Equip*. This event will take place at **Franklin Estates**, a predominantly Spanish-speaking community where Hope & Equip has partnered with Berry's Chapel Church of Christ to start a new mission called *Juntos* (which means "Together" in Spanish).

This mission embodies the very spirit of Hope and Equip as it brings the love, support, and Kingdom work that is often done overseas right here to our own backyard or in this case Tennessee's backyard. We hope this work can serve as a template for other churches to do something similar in their own communities.

We would love for you to be part of this endeavor in one or more of the following ways:

1. **Attend the Event:** Join us in person at Franklin Estates on October 17th. Please RSVP to confirm your attendance. Dinner will be provided. You should have received an electronic invite and if you have not you can go to <https://hopeandequip-bloom.kindful.com/e/2024-franklin-fundraiser>. If you prefer to RSVP another way, just email me at clefford@aol.com or call or text 502-545-2965.
2. **Join the Livestream:** If you can't make it in person, we'd love to have you join us virtually. Join through Hope and Equip's Facebook page.

3. **Contribute:** If this is something you think you can get behind, please consider making a financial contribution. 100% of contributions go directly into work like Juntos. If you wish you can mail the contribution to 12445 Bellingham Rd, Caledonia, IL 61011 or you can go to our website hopeandequip.org and donate.
4. **Pray:** We need your prayers for the event, and that we can continue strengthen and advance the kingdom of God.

This event is always special. This year is even more special for me because as most of you know Nancy works for Berry's Chapel and one of her primary responsibilities is at Juntos. She plans on sharing a bit with us at the event about how God is moving.

With gratitude and hope,

Robert Roach
