Privacy Policy for Grassroots QR Reader

1. Introduction

At Grassroots QR Reader, we respect and protect the privacy of our users. This privacy policy explains how we collect, use, disclose, and safeguard your information when you use the Grassroots QR Reader app.

2. Data Collection and Usage

Camera Access: Our app requests access to your device's camera for two purposes:

- Scanning QR codes: No images or videos are stored or shared by our application during QR code scanning. The data from the QR code is used to fetch and display corresponding content within the app.
- Submitting Photos for Plot Observations: Users may choose to submit photos related to plot observations. These images are uploaded to our server for the purpose of enhancing the plot data. Users will be clearly notified each time a photo is uploaded.

Network Access: Our app uses network access to:

- Retrieve content associated with scanned QR codes by fetching a JSON file from a specific server using the data from the QR code.
- Upload photos for plot observations as per user action.

We do not store or share this data beyond the intended use within the app.

3. Data Sharing

We do not store, share, or sell any data accessed or collected by our application to any third parties, except for the purpose of processing plot observation photos as requested by the user.

4. Data Retention

We retain photos submitted for plot observations for the duration necessary to fulfill their intended purpose. Users may request deletion of their photos at any time by contacting us.

5. Children's Privacy

Our application does not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13.

6. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. You are advised to review this page periodically for any changes.

7. Contact Us

If you have any questions or suggestions about our Privacy Policy, do not hesitate to contact us.
