

K-5 Schedule

Required Continuous Learning and First/Second Semester Remote Learning

Considerations:

- Consistency across delivery models for students, families, and staff.
- Mindful of engagement times for elementary students
- Shorter interval (15-30 min) for synchronous interactions
- Whole group check-in time provides for focus on social/emotional learning and building relationships
- Opportunity for staff collaboration / office hours / student Q & A within teacher contract day
- Lunch break allows for Grab and Go Pickup

Small groups for literacy and math will be scheduled by individual teachers. This would allow all groups to meet with the teacher multiple times throughout the week.

Small group times would be assigned by teachers at the start of distance learning and remain as consistent as possible from week to week for students and families.

Progress monitoring will be scheduled on an individual student basis by the teachers.
