

We don't have a resource problem -
we have a Connection Problem.

Dayton Faith at Work Network Developer

Equipping all Christ-followers to be Faith Active at Work through Networks

Activities:

- [Catalyze and Support Faith at Work Networks](#) in different industries
- Find and nurture network leaders individually and collectively
- Consistently provide value via strategy, encouragement, and resourcing
- Catalyze in-person and digital storytelling of faith at work transformation
- Connect with national faith at work leaders and industry associations for highest-level of connectivity and execution within the city
- Be a part of a national network of city-wide faith at work leaders

Competencies:

- On an intentional healing and growth journey
- Committed to a Kingdom-Abundance Mindset
- Existing workplace network of connections throughout Dayton
- Network Architecture via Gathering Design, Facilitation, and Leadership Skills
- Memorize and utilize [network menu](#) of assets - both regionally and nationally.

Interests/Goals:

- Constantly adding value to people
- Live and Role-Modeling Kingdom/Abundance
- Seeing Dayton transformed through Christ's deployment in the workplace
