Content Requirements

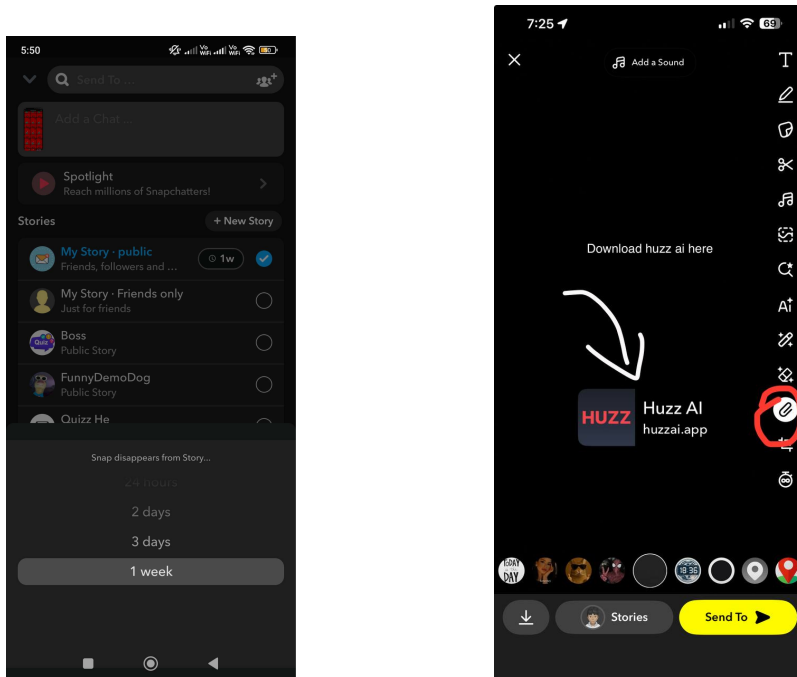

Format Options

- **Video Posts** (TikTok, IG, YT): Must show app promo video for minimum 2.5 seconds
- **Carousel Posts** (TikTok): Must include app promo photo

Snapchat:

- Your post should include an arrow that points to your profile during CTA to direct users to check your story (either arrow bottom left pointing down, or arrow middle pointing to the right for mobile users)

- You should have a black screen story with 'download huzz ai here' and an arrow that points to a button link (<https://huzzai.app/>). You can set it to stay up for 7 days. We have attached photos below.

Creating App Promo Content

1. Go to Discord channel [#app-promo-tutorial](#)
2. Download the file for your phone type
3. Watch the tutorial: [3.5 min YouTube video](#)

Content Quality Standards

Your content must show Huzz AI:

- ☒ The app must help someone "rizz up" another person
- ☒ Getting a positive response
- ☒ Coming to the rescue in a dry conversation
- ☒ Being impressive/funny
- ☒ Never in a negative context

Example Scenario: Guy struggles with conversation → Uses Huzz AI → Gets great suggestion → Girl is impressed → Conversation improves

Caption Rules

Required Format for tiktok/instagram/youtube:

- Must start with: @huzzaiapp
- Example: @huzzaiapp we need to be stopped 🤔 #rizz #fyp #text #texts #storytime #dms

For snapchat:

- Caption should start with: Huzz AI
 - and contain this hashtag: #huzzai
 - example: Huzz AI cooked with this one #huzzai #textingstories #redditstories
-
