

First Vice Chair Report
July 1, 2026

The fundraising committee met June 3rd and the 17th.

Dialing for Dollars continues on Wednesday evenings three times a month. The effort has raised \$1,900 to date, which includes a little over \$200 of recurring dollars. There were seven volunteer callers last week. Even if someone does not donate, this effort is reaching voters.

As of the end of June, LD17 has \$55,242.74 in the bank. The majority of our budget will go towards the printing and distribution of the Voter's Guide. We have received competitive bids and will soon be able to determine costs. Our goal is to reach 55,000 households and the more money we raise, the more voters we can reach.

Total dollars raised through Act Blue for June 2026 was \$4,938 with \$1,732 of that sum being recurring dollars. There were 126 contributions, 113 unique donors, and 27% of those contributing were first-time donors. Each one of those categories represents an increase over the prior month.

Respectfully submitted,

Cathy Davis
First Vice Chair
