

1 Peter 1:15-16 Comfort, understanding, justice and mercy are part of God's character, and we are to imitate His high moral standards--to be like Jesus

1 Peter 1:14 learn to be a child of the King, not the world; be set apart and different; the HG is there to give us the power to obey and give us the light to walk in, forsaking the sin & overcoming the fear

How to Follow the Holy Life Pattern

1. Yield to the Spirit

1 Thessalonians 5:19 Don't Quench-put out/suppress/stifle ignore the HG -- yield to Him--let Him be in control

Hebrews 11:34 Quench-put out/suppress/stifle fire, violence, anger, etc.

Ephesians 6:16 Shield of faith quenches, suppresses/stifles the enemy's darts

Romans 6:13 become an instrument of righteousness unto the Lord

Romans 12:1-2 don't be conformed; be transformed!

1 Thessalonians 5:19 Stop doing the old stuff & choosing actions that hinder your growth in Jesus!

2. Cultivate Fellowship with the Spirit; accept His Guidance--He helps the believer in applying the principles of His Word by guiding in study & application to everyday life

3. Be a part of the Ministry of the Spirit ~ Adjust to the Providential Acts of God and Be Willing to Be, Do, & Go Whatever & Wherever God leads

Philippians 2:5-11 Be as submitted as Jesus was to the will of His Father, learn to obey

Luke 22:42 not my will, but Yours

Ephesians 4:30 Grieve not, but submit as He leads, for He is taking us into our redemption!
Don't quench, or hinder His work. You'll lose fellowship with the Lord... your spiritual battery becomes weak or even dead. Be refilled, refreshed everyday in Him!

If you don't know His will, get in the book!

1 John 1:9 Grieving Him hurts Him and us, but there is always a day of grace provided for His children to come back home to Him; turn away; come out from among them; confess that sin & come back home!

1 John 2:1-3 He is there and has already paid the price. If we keep His commandments, we are following in His ways, but if we don't take heed to His commandments, we reject His advocacy.

1 Corinthians 11:31-32 It is possible to walk away from fellowship and suffer; don't do it!

1 Peter 4:14-15 Don't bring this on yourself...

John 16:13-14 The HS points everything back to Jesus and will show us things to come!

Get right and stay right and have a little fun, too!! He will meet our needs, so enjoy & do His callings.

1 Corinthians 2:9 He has prepared for us things beyond what we can understand & it's all ours in Him!

1 Corinthians 3:2 Be sensitive and be aware of what each soul needs--listen to the HG and give them the plain and simple truth. Milk. Use parables and stories that relate...draw, don't confuse, & give love

Gen 24:27 The HG will lead you to the right place, with power within to deal with the situation you find

Romans 8:14 Being led is the mark of a true believer--they listen and do

Romans 8:26 He within will in deep prayer talk to us and/or commune with the Father on high; He leads us in what and how to pray

John 7:38-39 holy works of service for God can lead to a bounty of joy and peace, the HG is that river

Ephesians 2:10 We are HIS workmanship, and the HS gives us the power to walk in that ordained path

Galatians 5:22-23 Fruit of our life should be just like Jesus'--the fruit of the Spirit! It is the moral experience of our salvation and submission to the Lord. Holiness grows in response to God's Word...daily application is the purifying and daily renewing.

Hebrews 4:12 We are to be holy in the midst of an evil world--and the HG gives us the power and cleansing to be able to do it! Be salt, be light, and do the work God has called us to do
