

SECOND THIRD

Make a copy of this document. When you do, the title of your document will be Copy of Second Third. Change the words Copy of to your name. Share the document with me when you are ready for me to grade it.

Title of Book (punctuate and capitalize appropriately):

Write a summary (give specific details) of what happened in this part of the book:

Did you like this section of the book?

Use the chart below to list the round characters in this book (all slots may not be used):

Character Name	Description with some detail showing why this character is round

Use the chart below to list the flat characters in this book (all slots may not be used):

Character Name	Brief Description

Vocabulary - find three difficult words used in this section of the book, put the sentence it was used in, and the definition of the word:

Word	Sentence it was used in	Definition
1.		
2.		
3.		

Find an example of two of any of these terms, show how they are used, and explain what makes them fit the definition of that term:

Imagery, Metaphor, Paradox, Verbal Irony, Hyperbole, Conflict (a different type than in the First Third), Flashback, Macguffin

Term	How it was used in the book	How it fits the definition of the term

Prediction: What do *you think* is going to happen later in this book? Give a reason for *why* you think that will happen.

Prediction (part 2): Has your previous prediction (from the first third) come true?

You're done! Now share this document with me and get reading your next third!
