

//Knock Knock

Hi,

It's Hazza, we spoke on the phone last week? You must be...

Great, glad I got the right address

Can I come in?

Nice place you've got. Yeah, this is fantastic. You said you live alone?

Nice. Very nice.

This the living room? Awesome. I'll make myself at home and you go and make us a drink. I'll have a coffee, black no sugar.

//

Thank you, that's great.

Bit too weak for my taste, but it's okay. You'll know for next time.

So... let's talk business shall we? You booked off the day like I asked? Great. We're going to need all the time we can get.

I guess the prospect of this must be a little strange, being a Pod Mate. It probably will be at first as you adjust to the needs of the group, and believe me, this group is a handful - good guys, all of them, really good. But yeah, a handful when they... get going so to speak.

But that's why I'm here, I'm the leader of the Pod and I'll be your mentor to begin with so we'll go slow but you know I'll be using you as much as anyone else so it's important I get you trained up - I want my lads to have a Pod Mate they can depend on and that hinges on how effectively I get you up to speed.

So tell me, do you have much experience with men?

I see. And groups? Have you ever been used by a group before?

Right. Well, we're going to have our work cut out for us. That's okay. I like a challenge.

And what's the biggest dick you've taken?

Wow. Okay, so a real challenge then. That's cool, that's cool. I think you'll be okay with me, but some of the guys in the Pod are really thick so we need to get you loosened up before your first meet up with them. Why don't you put your drink down and get naked for me.

Go ahead. No need to be shy, you're going to be naked a lot when you're with the Pod, so you might as well start now.

Look, I get it, you think this is your home and your space and all that, but you must know that being a Pod Mate means giving up a sense of ownership. You're playing a really important, pretty vital role in keeping the young men of our society focused and on target for great things. That starts by following orders and I'm giving you a direct order, so do us both a favour and behave.

See... it's not difficult. Look, even with your shirt off I can tell you'll fit right in. You're just my type.

Let's see below as well.

Nice. Really nice. Underwear too.

Really good. You're beautiful you know that? Really, really stunning. I'm privileged that I get to be your mentor, honestly. You're gonna make the lads go wild when they see you, so we really don't want to let them down by you not being able to take them.

Okay, so first things first. Let's go over some basic positions. When you're with the group, you should be on hand - we're pretty relaxed, not like some other Pods who get their Mates to be on their knees or standing to attention all the time. I know Franklyn likes it when the Pod Mate sits on his lap but the others can get a little tetchy if they think you're being hogged.

Come on over and sit on my lap.

That's it, just relax, I can take your weight. Now, shift your legs up, your bum should be in my lap and your feet over the side. See. I can drink my drink with one hand, and with the other I can play with you down there. See? It's nice, right?

You just have to relax, enjoy my company whilst I enjoy your body... You're clean down there right? Like I asked? Awesome. I'm going to just play with your hole some... you're really tight... and maybe tug on your balls a little. That's it, just like that. Whatever I want to do, you're going to allow me to do it... it's not kinky at this point, we could be having a conversation or I could be talking on the phone or whatever, but you're right here in my lap and ready for whatever I want to do with you.

See, I'm not much of a kisser, but I know Liam loves frenching the Pod Mate, he'd spend hours just kissing the last one - had to put a curfew in place to stop him from taking up all of the Pod Mates sleeping time with shoving his tongue down his throat. Ha, God last year was wild.

I think you'll like Liam, heck you'll like all of them I'm sure of it. Like I said, we're a good bunch.

You really need to relax you're hole more. This is way too tight. You got any lube or oil or something? Otherwise it's going to be a long-ass day. Think we're going to need to invest in a plug to make sure you're loose for whenever we need it.

Oh, you keep some lube right here? Down the side of the sofa? Okay! That's awesome, maybe I don't need to worry too much. Here... okay, that's better. Hey, hey, relax. We're getting to know each other better, and the best way to do that is just relax, I'm going to fuck that hole as soon as I'm sure you're ready and that's going to take longer if you don't relax and trust me, okay?

Good. Just focus on my fingers playing with my hole... yeah, my hole. It doesn't belong to you anymore. It belongs to the Pod and I'm the Pod leader, so it's mine. See what happens when you just let go and let me take over? How that hole loosens up to welcome my finger? You like that? Of course you do...

It might help if I get naked too.

Alright, fair enough. Come on, you're going to undress me.

Undo my shirt buttons, that's right. Get close and undo them.

I find proximity helps... when you're nice and close, revealing what's underneath? I must look good, right? We have a really dynamic work out programme in our Pod which you're welcome to join as well if you want. I mean, you'll definitely be required after so you might as well get some time in the gym before we fuck you pumped full of adrenaline.

My belt. Then my trousers.

Oh yeah, when it comes to the gym, Isaiah, he's a foreign exchange student, real meat head, loves to get sweaty and pound the Pod Mate as soon as he's off the rack. He fucks really hard so it's a good idea to make sure you're mentally and physically prepared for that before gym day. You ogling my meat Pod Mate?

It's okay, get a good look at it. It's going to be getting to know you today and for the rest of the year until we graduate. It's a good sized pouch don't you think?

You should stay down there, on your knees, head height with it.

Give it a kiss.

Good. Now kiss it again, like you mean it. Take a big whiff while you do, inhale all that scent.

Now, I love a blowjob, nothing better than a pretty Pod Mate's lips wrapped around my cock whenever I want, but you should know that I never cum from a mouth. You'd have to be pretty talented to pull that off.

See, right there, that's why you were chosen to be a Pod Mate - that look you get when you see a cock, even an outline of one, your whole body changes. Because you want it don't you. God I can't wait to see you get fucked by the guys, they're gonna destroy both of your holes to begin with, but don't worry, over time they'll come to appreciate what you're providing and it'll slow down... eventually.

Why don't you take my dick out?

There, peel my draws down and get an eyeful.

Just take it in. Take it all in. I'm pretty proud of it and you should be too. This is your new best friend. Your confidant. Your reason for being. Open your mouth, I want to paint that tongue with my precum.

Oh, that's nice. Don't close your mouth until I tell you to.

Fuck you're hot. Can't wait to fuck you later. I think we'll start slowly, maybe do doggy to begin with. Reach back with one hand and play with your hole and tweak one of your nipples with the other hand. Nice. Good work.

Now swallow my precum.

Ah fuck. So hot.

Open your mouth again and look up at me.

Gonna send that over to the group chat, give the lads a bit of a taste of who their new pod mate is.

Hm, okay - this the way to the bedroom? Cool. Follow me then.

//Bed

Come on then Pod Mate, come suck my cock.

That's it. Good man. I like it long and slow, not fast. You're not trying to win the race, you're just enjoying the run so to speak. Get to know my cock for a bit.

That's it. That's really good.

You can touch yourself, you know. I can see that you're into it. Go ahead, jerk your cock man.

I think we're going to have to think creatively about this bedroom. Don't stop sucking. I just think the guys aren't all going to fit in here which might be a problem on holidays as they'll all want a piece of you. Like, how much weight do you think this bed can take?

Hmmm, well we'll cross that bridge when we come to it.

//Interspersed with silence whilst tapping on phone

Have you told your family you signed up to be a Pod Mate? Just curious. You can take my cock out of your mouth to answer me, haha.

Oh right, cool. How'd they take it? Hmm sure.

Just rub the tip of it with your lips while you speak, that's awesome. Yeah, the whole system has taken the world by storm a bit. People can't get over it, but like being in a Pod it just makes sense. Who knows what kind of shit me and the boys would get up to if were left to our own devices. Now we have people like you to help alleviate the pressure so we can focus. Pod Mates are doing the world a service and it sucks there's still stigma attached to it.

All I'm saying is I'm grateful to have a hole like you ready to serve me, that's all. God, your face looks so good next to my dick.

Right... I think I'm hard enough to fuck you, and I'm dying to try out the new hole. Stay still. Ass up in the air.

Nice. Now stay still, I'll go slow at first.

Hey man... relax, okay? You've tightened up again.

Here... let me open you up again... we're definitely going to need to plug you, this just won't do when you're with us at the weekend and we need to fuck you all day. Just take some big deep breaths, Hazza's got you and Hazza's going to fuck you as gently as I can. I just know you'll be taking my dick all the way to the balls in no time.

There... I'm gonna press against it... feel that pressure, that's it. Just knocking at the door. Open up for me. Welcome me inside... that's the first ring... right there. I'll stop, I'll stop - let you adjust and then... when you're ready... I'll push a little bit more.

Ooooh, you got it. You got this man. You're doing great. Breathe into it. You got this. Let me in.

There's that second ring... I'm not stopping, not until it's all the way in. It's not even that thick... not in comparison to some of the others. We'll get you warmed up.

You know, you're allowed to moan... it's okay - I like hearing it when the bottom is enjoying it. Go ahead and moan for me, show me how much you like it. Atta boy, there you go. Much better. Push yourself back on it.

Wow. That's good. Your insides feel so tight on my dick, it's great. You keep hugging my cock like that and I'll bust really quickly.

No? Too much. Okay... let's put some more lube up there.

See, you can take both of my fingers now? All the way inside to get your insides nice and loose for me... that feel good? Rubbing against your prostate just there. It's nice right?

There... alright, back to my dick.

Thhhhhheeeerrre we go, see how easy it slides in when you're relaxed? When you've given yourself up to my dick? You're going to have to learn that this is your default that way any time you're at the Pod House or a Pod member comes calling on you, you're ready to take them straight away no questions asked.

Plus, when we take you on tour it'll be a relentless non-stop fuck fest for days on end.

Oh yeah, it's something else believe me. The last Pod Mate needed a whole week to recover.

That feel okay right there? Nice... really nice. I'm gonna fuck you now, okay?

- Fucks listener slowly
- Slow to fast
 - Moan for me
 - Fingers in mouth
 - Spanks
- Creampie

Fuck that was good.

I think you'll be just fine with the lads. But look how tight you've gotten already, fuck... no worries. I'll get one of the lads to drop a plug round for the purpose. Depending on who it is we might get you DP'd tonight to see how wide you can stretch.

We'll see. We'll take it at your pace today, but we need to get you up and fucking quick.

Why don't you go and get us a cold drink and you can suck me till I'm hard again.

Nice one.
