

Privacy Policy

This Privacy Policy explains how we collect, use, and protect your information when you use our mobile application. By using the App, you agree to the terms outlined below.

1. Information We Collect

Voice Input: When you speak to the App, your voice input may be processed to generate answers.

Usage Data: We may collect non-identifiable information such as device type, operating system, and app activity for performance and improvement.

Third-Party Data: The App may request or retrieve information from external services or APIs to provide responses.

2. How We Use Information

To process your queries and deliver answers.

To improve the App's functionality, performance, and user experience.

To ensure security and prevent misuse of the App

3. Third-Party Services

The App may rely on third-party providers (e.g., AI platforms, APIs, cloud services). These providers may process your data under their own privacy policies. We are not responsible for their practices, content, or policies.

4. Data Security

We take reasonable measures to protect your information. However, no system is fully secure, and we cannot guarantee absolute protection against unauthorized access.

5. Data Sharing

We do not sell or trade your personal information.

Limited data may be shared with third-party services only for the purpose of answering your questions or improving the App.

6. Children's Privacy

The App is not intended for children under 13. We do not knowingly collect personal information from children.

7. Your Rights

Depending on your jurisdiction, you may have the right to access, update, or request deletion of your personal data.

8. Changes to This Policy

We may update this Privacy Policy from time to time. Continued use of the App after changes means you accept the updated terms.
