

IBARMS

ROCKY MOUNTAIN
ASSOCIATION
of IB World Schools

Greetings to IB Coordinators and Heads of Schools:

The Rocky Mountain Association of IB World Schools (IBARMS) looks forward to an exciting year for our IB schools. We have many celebrations from the past year and are looking forward to meeting and supporting our members again this year. We invite you to join IBARMS for the 2026-27 school year. All members and prospective members are invited to our first general meeting, which will be held on Friday, September 11 in Douglas County Legacy Campus

For those new to the organization, let us tell you a little about IBARMS. We are the officially recognized association of IB World Schools for the Rocky Mountain area, representing PYP, MYP, DP and CP schools in Colorado, New Mexico and Wyoming. IBARMS is an authorized provider for IB training for PYP, MYP, DP and CP, and an advocate with IBA. Here are just a few benefits to membership:

- Provide **support for coordinators and administrators with implementing IB** in their buildings
- A **voice** with IB Americas and the IB Organization
- Tremendous opportunities for contacts and **networking**
- Local **IB-authorized training** opportunities (such as the Keystone Conference in late June)
- Increased **university articulation** and recognition
- **Professional development through roundtables, special seminars, and symposia** for discussions and sharing of best practices
- **Legislative Action**
- Funding of **scholarships, service projects, collaboration work between schools, and legislative efforts** beneficial to the IB community. We provided over \$62,000 last year to teachers, schools and students in their IB endeavors.

We invite you to join IBARMS for the annual membership fee of \$300 for the 2025-26 school year which will cover the cost of **one person** per registered IB program to attend the quarterly meetings. There will be an additional \$25 per person meeting registration fee if more than one person attends.

In addition to the **September 11** meeting, our other meetings for this school year are **November 20, January 29, and April 2**. We invite/encourage all coordinators, building administrators and district level to be part of these meetings. We will begin each meeting with a general session and then have level breakout meetings. We plan to offer special periodic sessions to building principals throughout the year. Meeting invitations and details will come via email about a month before each meeting.

Annual dues are listed on the following page. Your dues enable IBARMS to uphold its goals and objectives, and to provide you with the benefits listed above. Your payment is due August 30.

Thank you for your support of IBARMS. We look forward to seeing you at our first meeting.

Sincerely,

Jan Lotter
Executive Director
