Bill Digest or brief summary:

Creation of a Hemp Producer registration for commercial use.

---

Describe what the bill requires LCB to do or how it impacts current agency activities. (Consider workload, funding needs, feasibility of implementation)

Addressing a Hemp Processor location inside licensed MJ locations. Hemp products look exactly like marijuana products. Allowing this could allow marijuana licensees to use the Hemp processors registrations to divert marijuana to the black market.

Therefore, requiring clear delineation between MJ processing and hemp processing is needed.

Does the bill align with the agency’s mission, goals and priorities (consider also the three-tier system)?

No impact

How could the bill impact access, availability or pricing of regulated substances? (Consider youth, vulnerable populations, general public and social norms)

None

Would the bill impact advertising and marketing of regulated substances? (Consider exposure for populations listed above)

No

How might the bill impact external stakeholders, including state and local agencies, Tribes, public health and prevention? (Pro/Con):

None
