You can provide your email address at the next monthly meeting or click on the link at the PFIA <http://bit.ly/powhatanemail>. Our community Block Captains have been Block Captains for many years, some for decades, they are getting older and currently, there are no volunteers stepping up to take their places, to deliver copies of the PFIA Newsletter. If you wish to continue to get the news as to what is occurring in your community, please provide your email address or you can visit the PFIA Website. Street repaving

For years we received empty promises to have our streets repaved, President Barnett circulated a petition (to the County Executive) throughout the community and as a result we now have newly paved streets. There is much power in unity and as taxpayers and constituents of Baltimore County, we must understand the power that we possess, being united as one.
