Austin agreed the sped dept improvements are great and will be very helpful.

Carson and Callie

Kim asked if YONDR pouches will be brought to the middle schools.

Crystal said she would love to have them but is not sure if the district or site pays for it. It would be more than half of the budget. She believes that the district will fund it if they require it at the middle school level, but as of right now it's not in the plan.

Callie shared she doesn't believe YONDR pouches are worth the money.
