I ever sent a gift called "🎁[GIFT] How I Create AI T-Shirt Designs & Start POD Business With Zero Hassle"

You can re-check this gift here:
https://www.dropbox.com/scl/fi/40sfdq8wwtpe2lvepnado/How-To-Create-AI-T-Shirt-Designs-Using-Free-AI-Tools.pdf?rlkey=j71k9s67ggc301z9f5pzp5t8p&st=a37n8r7n&dl=0

In this free guide, I show you how to use 100% free AI tools for eye-catching T-shirt designs and start a print-on-demand business with zero hassle

(zero cost, no design skills needed). 🎨✨

I also showed you how to use a free AI Tool called Ideogram to start your T-Shirt Business.

Ideogram has proven to be an amazing AI tool for creating text designs

in this free guide today, I'm going to show you 10 popular idea ground prompt design styles that are perfect for print on demand you can use these design Styles and modify the prompts for your own designs to sell on POD platforms (that I also mentioned all from the guide above)

Let's discover 10 DFY prompt design styles today:

Note: For any results you like from Idegram, you can click "Remix" to get more good variations from Idegram:
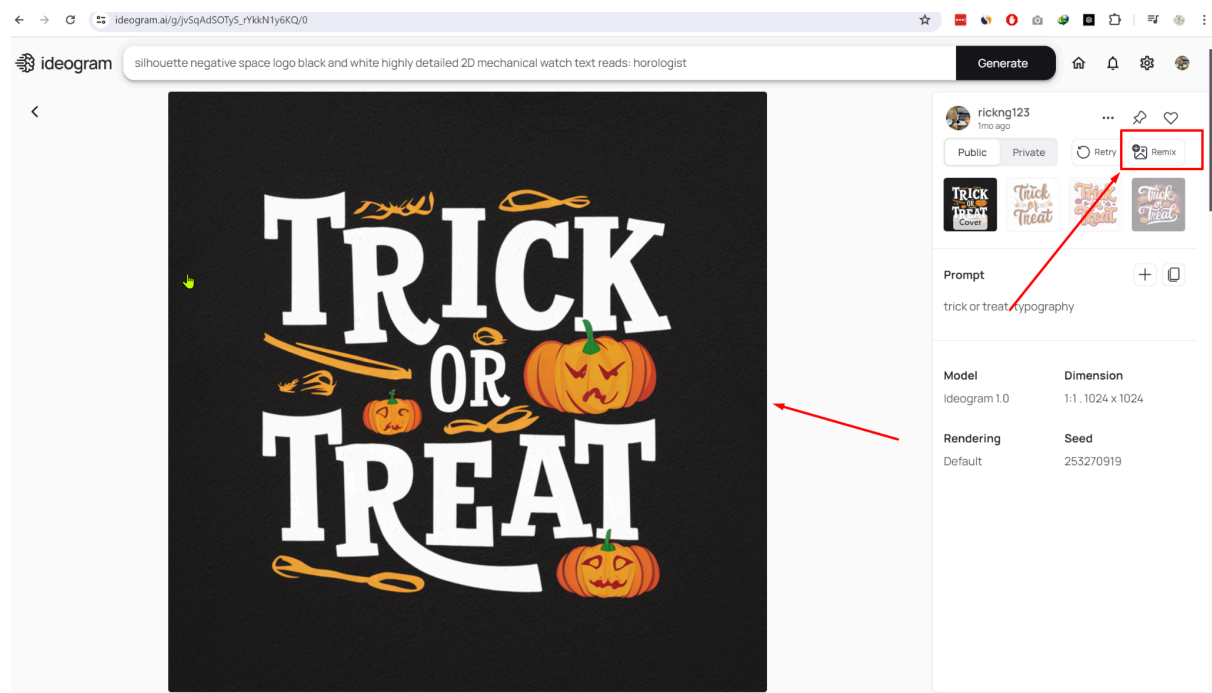

when I click on "Remix", I got more variations as seen below:
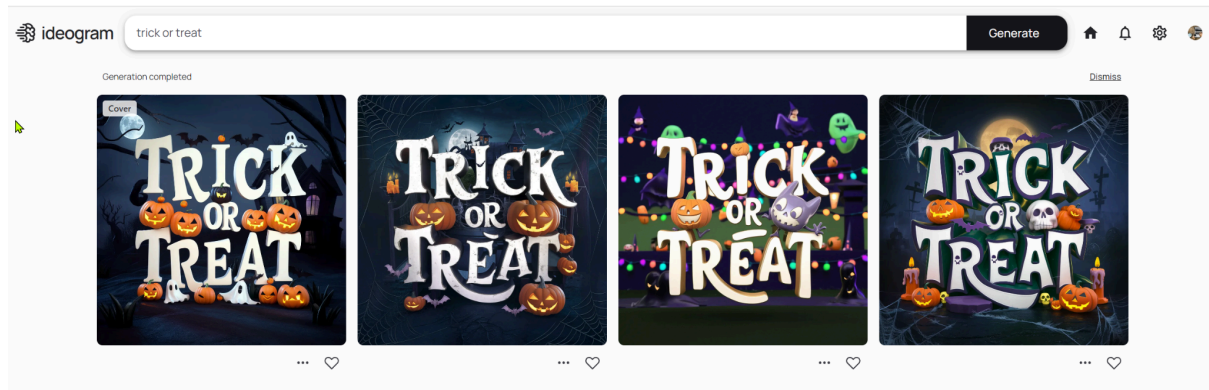

Below is the prompt structure:

Minimalistic single black line Black Ink white background minimal dog pug women Text reads: "pug mom"

You can change "pug" by your own keyword like "cat, parrot, corgi,etc"

These are the results from Ideogram.

the style is perfect for t-shirt designs because it uses simple black lines to convey ideas focusing on Elegance through simplicity.

2. 3D rendered

Below is the prompt structure:

3D text rendering Halloween ghost kids cute unicorn text reads: Boonicorn

as you can see this 3D rendered look brings objects and scenes to life with depth and some realism perfect for generating cool looking shirts and graphics
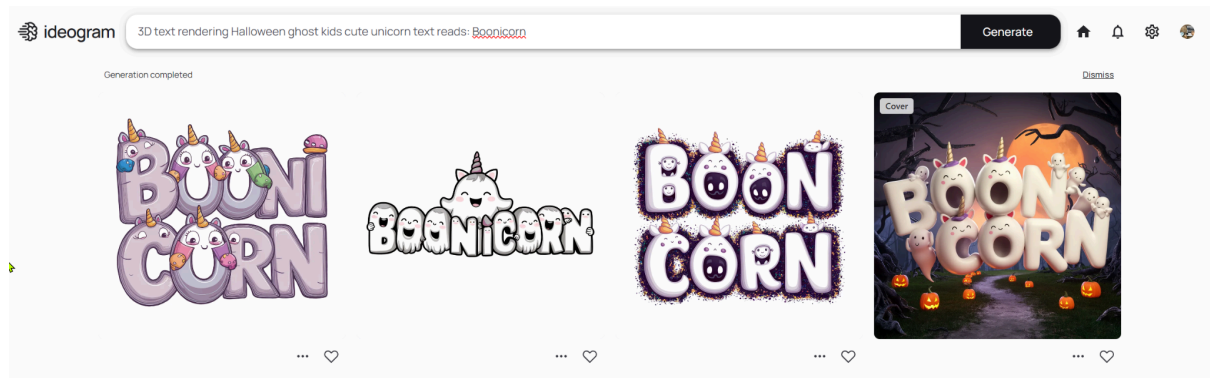

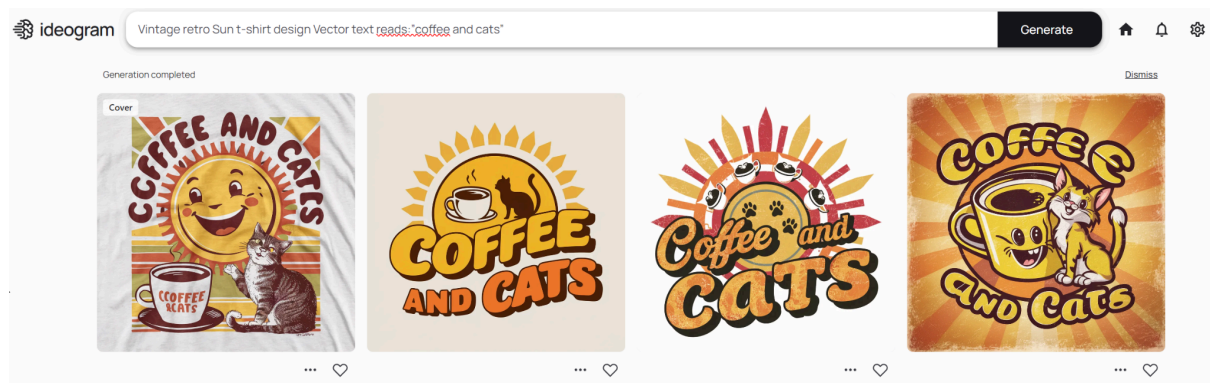

Below is the prompt structure:
Vintage retro Sun t-shirt design Vector text reads:"coffee and cats"

You can replace "coffee and cats" by your own keyword.

and these are our retro Sun style designs

These designs incorporate nostalgic elements of the past often featuring sunbursts and warm color palettes for a Timeless feel.

4. 60s groovy

Below is the prompt structure:
60s groovy hippy psychedelic text reads: "groovy mama"

You can replace the keyword "groovy mama" with your own keyword.

60s groovy style influenced by the 1960s supposedly Kaleidoscope of vibrant colors

bold curvy fonts and Whimsical patterns

it's currently popular design aesthetic that advice Nostalgia and a sense of free-spirited creativity
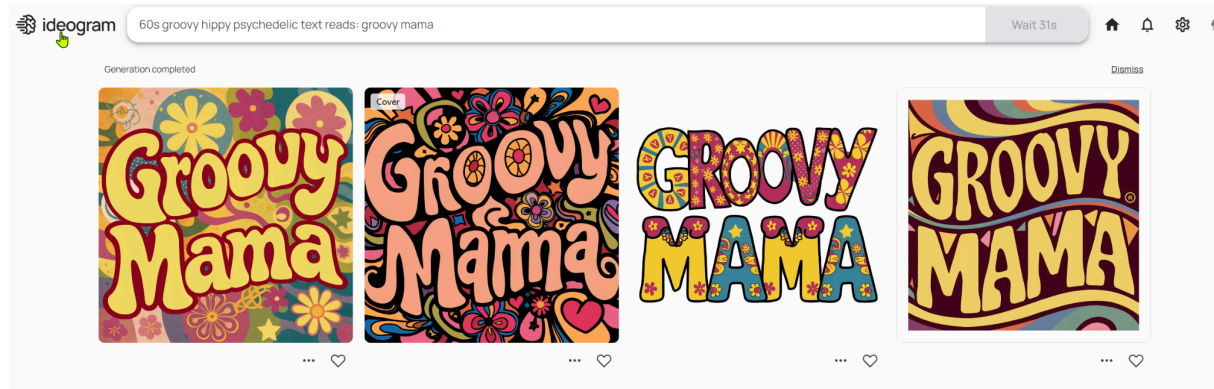

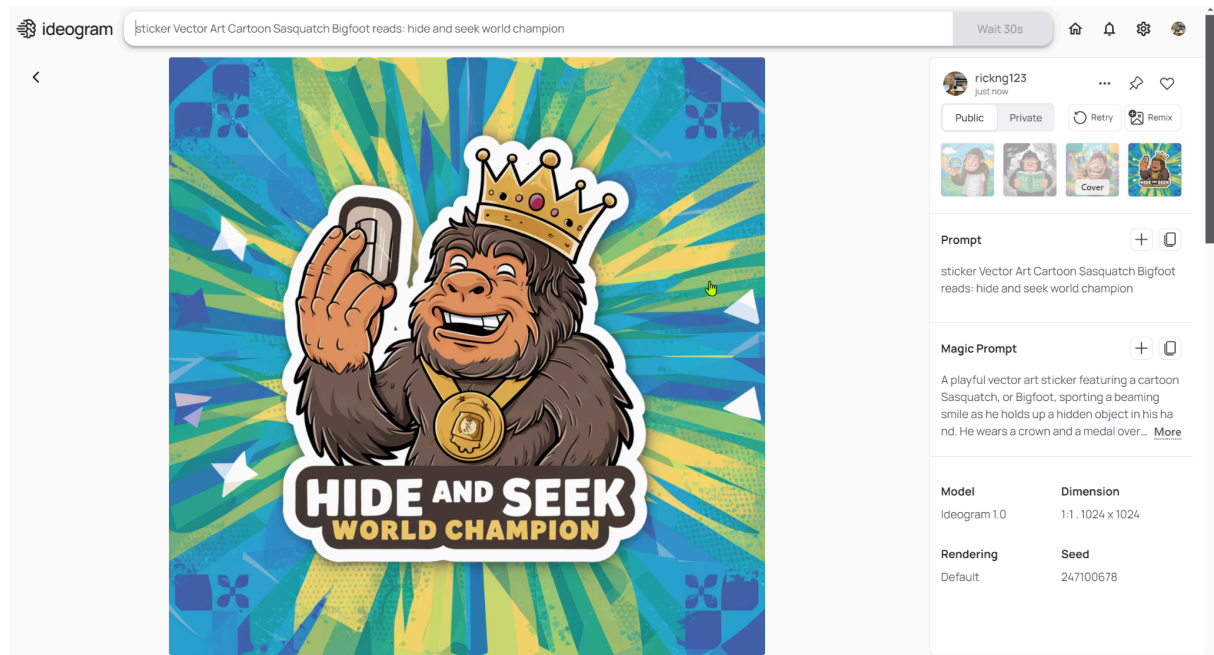

5. cartoon sticker

Below is the prompt structure:
sticker Vector Art Cartoon Sasquatch Bigfoot reads: hide and seek world champion
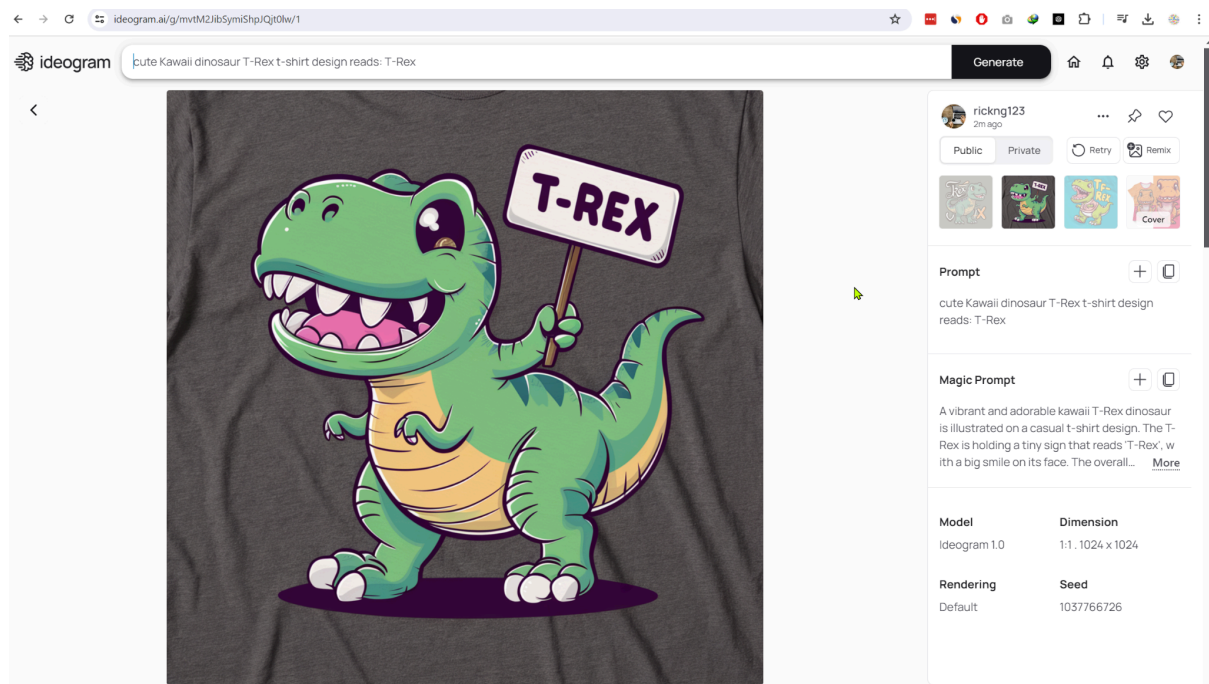

and these are our cartoon sticker designs:

this style takes artistic and cartoonish elements and enhances them in a simplified and approachable manner for stickers and t-shirts
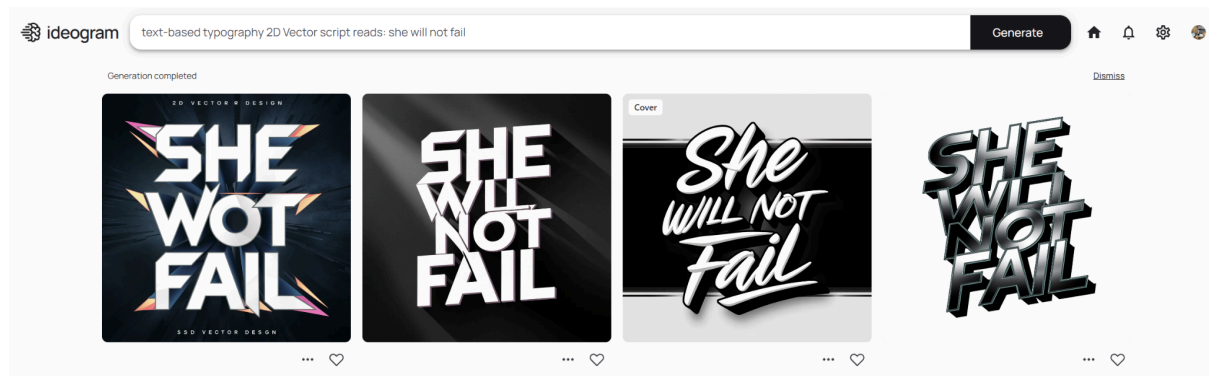

6. Kawaii
Below is the prompt structure:

originating from Japan Kawaii style Embraces cuteness and charm often featuring adorable characters pastel colors and a playful aesthetic to create irresistibly cute designs

7. creative text

Below is the prompt structure:
text-based typography 2D Vector script reads: "she will not fail"

8. colorful splash
Below is the prompt structure:

and once again ideogram has no problem creating the text in the design

Below is the prompt structure:

Below is the prompt structure:

and these are the results
