## \*Updates\*

October 10, 2021

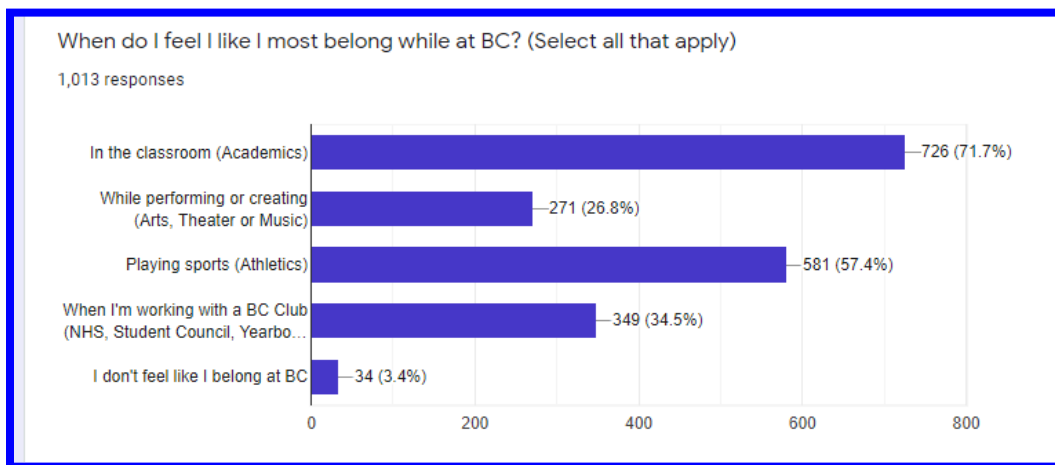

Dear BC Community-

On Friday, during Lancer Link, students watched our [Suicide Prevention Video](#) and took an [exit ticket survey](#). 1,013 took the survey and the following are some of the results.

By the end of the day on Friday, our student services team connected with each student that expressed a concern about their well being or a classmate. We are here to support all students and their families. Please let us know if you have any questions or are in need of support.

If I had a concern for myself and/or a peer and needed to talk to a staff member who would I talk to (check all that apply)?

Our number goal is for all students to have a sense of belonging while at BC and the two questions above get to the heart of it. As a staff, we will be reaching out to students that don't have a sense of belonging or don't have a staff member that they could talk to if they had a concern, to support and engage them in the BC Experience. We want all students to be cared for and to feel like BC is their home.

The BCHS School Profile has been updated. Click [here](#) for it. A school profile informs parents, community members, and institutions of higher education of pertinent school and district data.

Please do not hesitate to contact me if you have any additional questions or concerns. My email is [gruetzmb@elmbrookschoools.org](mailto:gruetzmb@elmbrookschoools.org) or call/text me at 262-794-6070.

Thanks and take care-

# BC Information

- **Attendance Procedures**

In addition to calling the BC attendance phone line (262-785-3994), families can also send an email to [BCHSattendance@elmbrookschoools.org](mailto:BCHSattendance@elmbrookschoools.org) to report an absence to school. When reporting an absence, please provide the student's name and reason for the absence. If they are missing school due to illness, it will be important to let us know ALL of your child's symptoms and any physician confirmed diagnosis such as COVID-19. It will also be important to know if your child is staying home because they have been exposed to someone who has tested positive for COVID-19.

Being present and engaged in school are the first two keys for academic success. We will continue to monitor attendance and provide proactive communication regarding the attendance of all students. Additionally, we encourage students and parents to regularly monitor attendance records by logging into Infinite Campus for review.
