It is very important that you are reading daily! Try to read or be read to every day if you can.
The choice is yours!

You might record the title of what you read in the back of your homework book.

Do you know and remember nursery rhymes from when you were younger? Have fun chanting your favourite nursery rhymes with your family.

Students are to tick each activity as it is done. An adult is to sign this sheet. Once the homework sheet is signed, it is considered completed for the week.
