SUMMER MOVIE 2023 AUDITION SIDES

Ash:
I want to start a band. Don’t look at me like that! I know it’s going to be hard. Up until this point, I had a vague idea of what I wanted to be doing with my life, but now I know. Thanks, Ian. I guess I just want a group of people who get me, you know? Who just want to make music together. And if it ends, then at the end of it all we’ll be able to look each other in the eye and say, “What a hell of a ride”.

Ian/Zane:
Don’t worry about him, he’s always like this. You like MCR too? Heck yeah. Starting a band is pretty hard at first. I know I went through a lot of ups and downs. Hey, I’m with you. Who else is in? Okay, so it has to go like this. (Plays bass) Got it? I have to go. My buddy says they’re here to pick me up for practice. (In front of a crowd) Alright! We’re called Chase the Night and this next one is called Sweet Temptation!

Erin/Ria:
Oh hey! I didn’t think you’d be in here. Ya know, you really should get out more. It’d be fun. Oh, I stopped going to those meetings. The vibe wasn’t right and the people weren’t it. I’m glad you like them though. (laughs) Oh my gosh! Sarah is so goofy. She totally just does her own thing. I’m not gonna lie, Ian kinda scares me. I know he’s nice, and you like him. He’s just so intense. Yeah.

Sarah/Renee:
Hi! Yeah, calling is easier for me. Better if I have an actual voice to talk to. (laughs) So, what’s up? Yeah, you can come over to hang out, just give me a minute. Hey! What do you wanna do? How about we go back to your place and do some guitar stuff? You seriously don’t know this one? It’s famous. Here, let me play it again. Geez, Ash, you suck at this.

Tommy:

Oh hey! I’m going to be nearby over break. Maybe we could meet up? That sounds super cool. How are you liking school so far? Haha, I’m glad you like the music club! Yeah totally. Hey, with all the rain, I don’t think I’m going to have time to meet up, but we should jam next quarter for sure.

Leslie/Ruby:
Oh my god! It’s Chase the Night! You guys were so good up there! Hey, we started an Instagram meme page for your band, would you give it a follow? Thanks, you guys are so cool!

Kat:
You know writing lyrics takes time, right? Words don’t just magically spring into being. I mean, they sorta do, but not really. You get the point! Guys! You’re being really loud! Sarah, could you just- not play the guitar for one teensy second?
