

Rachael Onoja Biography

Rachael Onoja is the Head of Innovation & New Markets at [AltSchool Africa](#).

She is an education technology executive with over a decade of experience. She is passionate about driving change by designing transformational learning experience programs, global expansion strategies, and management. She is driven by the need to ensure every African has access to future-proof marketable skills. She has collaborated with the top alternative education institutions, such as AltSchool Africa, Decagon Institute, and Andela Learning Community, to train over 500,000 people in marketable STEM skills.

She started Balance Unleashed, a community to advocate for sustainable ways to fuel ambition through alignment in mental and career wellness. Rachael is a Stanford Graduate School of Business Alumna.
