

HOUSE SHOW

House concert for Alexz Johnson

We'll make this as easy as possible for the hosts. All you have to do is let us borrow your space (for approx 3 hours) and check-in guests at the door upon arrival. In return you'll get 5 free tickets for your friends and our eternal gratitude. :)

Do you live in or near one of the cities listed below? Do you have a large living room, loft space, community space, art gallery, yoga studio, coffee shop, or other space that can comfortably and safely host up to 60 people? If so, please read everything on this page and fill in the form below to submit your space.

Alexz would love to play a show at your place!

IMPORTANT!

1. Please read everything below so you know how it works.
2. Fill in the form below, print, scan and email back to laydeespencermgmt@gmail.com
3. Sit tight and we'll get back to you as soon as possible if we can confirm a show at your place.

A few things we want you to know about...

1. LOCATION

Looking for all kinds of spaces. It can be residential, commercial, community, or any other space where you can host a private gathering. Bonus points for being centrally located! The space should comfortably and safely hold a *minimum* of 40 people. Show us what you got!

There needs to be street parking, a parking garage, or public transportation nearby so guests can access your space easily. Before you offer to host a show, please check with your neighbors to confirm they're ok with a bunch of extra people coming over. It would be a huge bummer if someone called the cops because of all the extra cars and people.

2. CAPACITY

Be realistic. This is the number of tickets we put on sale. Please keep in mind when determining your capacity, you get five free tickets for friends that won't be included in the ticketed capacity. The capacity you tell us will be the number of tickets we put on sale. EXAMPLE: If we sell 50 tickets and you invite 5 guests, there will be 55 people at the show.

3. TICKET PRICE

Ticket price will be \$25-\$30usd. Everyone must buy tickets in advance. No tickets will be sold at the door. There will be no reselling or third-party ticket sales. All ticket sales are direct to fans from Alexz. Limit 4 tickets per person. These shows usually sell out quickly and we want everyone to have a fair opportunity to buy tickets.

4. GUEST LIST

We'll provide the host with a list of everyone coming to the show. The host won't have to deal with

any money and will only need to check people off the list as they arrive. We ask guests to arrive between 6:15-6:45pm. The shows start at 7pm and we ask everyone to be out of your space within 30 minutes after the show has ended. That's usually no later than 10pm.

5. FREE TICKETS FOR HOSTS

The host gets 5 additional free tickets for the show. If you have other friends beyond your 5 guests who want to come to the show you should direct them to buy tickets online.

6. PROMOTING THE SHOW

Shows will be promoted through Alexz's websites, Facebook, Twitter, Instagram, and by word-of-mouth. We'll create individual Facebook events for each show and make you the event admin so you can easily invite friends and community members. We'd appreciate your help to spread the word on your Facebook and Instagram, too. Please don't post your address. The address only goes to people after they buy tickets.

Home addresses will not be published on the web and will only be given to those who purchase tickets. In addition to respecting your privacy, we need to keep the show locations private so random folks don't show up and party-crash.

7. SOUND SYSTEM & LIGHTING

You don't need a sound system, though that would be awesome. Most of the shows are totally acoustic. But some artists bring along a small sound system if they're playing electric instruments. If they need access to an electrical outlet or power strip, we'll let you know.

You don't need any special lighting. But it would be great if you had some kind of ambient lighting like a lamp on a coffee table, floor lamp, or overhead lights with a dimmer to help create a cozy mood!

8. SEATING

You don't need seating for everyone. If you have a bunch of chairs, great! But most shows are floor seating and we let guests know they should bring a folding chair, cushion, or pillow to sit on during the show.

9. OPENING ARTISTS

We'll most likely have an opener at this show, playing a 30 min set before Alexz.

10. FRIENDLY PETS

We love cats and dogs, we really do! But an excitable pet running around during the show can be distracting for the guests and performers. If you have curious and friendly 4-legged family members, would you be ok with putting them in another part of the house, or sending them to a friend's house, during the show?

If all that sounds ok,
