

Starfish Of the Week Schedule Grade 1B

Each Week we will have a "Starfish" of the week. A special poster will be sent home to fill out and decorate. Items may be brought in to share. Below is the schedule for our "Starfish" of the Week for the school year. The poster and a more detailed letter, like the one on the reverse side of this schedule, will come home on the Monday before it is your child's turn. The poster and items will need to be brought in the following Monday. I am sending the schedule home now to give you some advance notice to know when it will be your child's turn to prepare the poster and sharing items.
