

Material collection for GBIF Data Workshop in Kenya

National Museums of Kenya → Kenianischen Min. für "Kultur" (+ Heritage)

CBD meeting in Nairobi in June

Ministry of Environment and Forestry

(Assistant Director, MEAs at the Ministry of Environment and Forestry, **Dr Lucy Wambui Ng'ang'a** lucynganga09@gmail.com, facilitated very helpfully by **Lucy Waruingi** lucy.waruingi@acc.or.ke, Executive Director of the **African Conservation Centre**. I highly recommend the latter as a person to meet during your visit to Nairobi, as she is both knowledgeable and supportive of GBIF, and also very well-connected at the government and CBD level.)
