

Situation Card 1

Place: your classroom, hall, dining room (school)

People: you and your classmates, there are no adults in the classroom

Time: 5th April at 10 am

The room gets dark suddenly and looking out of the window you don't see almost anything. What do you think might happen and what's your course of action?

Co-funded by the
Erasmus+ Programme
of the European Union

Situation Card 2

Place: your yard

People: you and your friends

Time: 8th June at 4pm

You see a dark yellow cloud floating towards your house, wind is blowing and it's getting darker. What do you think might happen and what's your course of action?

Co-funded by the
Erasmus+ Programme
of the European Union

Situation Card 3

Place: shopping center

People: shopping center visitors

Time: 6th August at 12pm

You are suggested not to go outside because the dust storm has arrived. What can you do and how long should you stay inside the shopping centre?

Co-funded by the
Erasmus+ Programme
of the European Union

Situation Card 4
