

Christie Boyd Playlist - Art

Week 34 May 17-21

 [Art Class Zoom](#)

Task	Day 1	Day 2	Evidence of Learning TURN IN!!!
This Week	We are starting a “stained glass window” project. If you have an x-acto knife, black paper, and tissue paper, you can use those. Otherwise, distance learners will be using white paper and colored pencils or markers for creating their piece. Must be in the Zoom to get the instructions!	Work on “stained glass window” project. This is Day 2 of a 5 day project, so pace yourself and really work on perfecting your design.	Turn in Stained Glass Window Project by last week!
Past Weeks	Digital Notan Project This youtube tutorial will explain how to create a digital notan. There is a Google drawing assignment sheet waiting for you in Google Classroom under week 32. Mirror Image Project There is a Google drawing assignment sheet waiting for you in Google Classroom under week 32.		Projects turned in for credit this quarter: 1. Turn in your Final Watercolor project under Week 30 in Google Classroom 2. Digital Notan (Week 32) 3. Mirror Image project (Week 32) 4. Stained Glass Window Drawing (Week 36)

Learning Targets

This week we will...
Understand the element of space and the principal of balance.

- I can:
- explain space in a work of art.
 - tell when a work of art is balanced or not.

- carefully consider both positive and negative space in your piece
 -
 -
- Vocabulary:
