- Remove loose or fragile things from walls and items from the work area. A fee may be applied if we have to continuously shuffle items around to perform our work.
- Metal color matches aren't always exact for different manufacturers.
- Animals should be secured away from workers and kept out of active sites and feces should be removed from work areas or an additional fee may be applied.
- A detailed clean-up will be performed at the end of the project (spring clean-up for winter jobs).
- Access to electrical hook-ups may be needed for power tools.

Preferred Vendor Information:

There are several vendors that we work with regularly, that we trust to supply quality products to our clients. Our trusted vendors for a variety of projects are listed below. Links to their website are included so you can browse their products and see what they offer. You can always visit one of their retail stores or showrooms to see what they offer in person. Once you have selected your product, fill in the product info on the worksheet above. Then we will double-check the items for you so you can schedule delivery. For example, if you found the tile you wanted for your kitchen floor at The Tile Shop, you would fill in the sections under Flooring like this:

Kitchen floor tile, Calacutta Bianco Gloss Porcelain - 12 x 24 in. from The Tile Shop, 100 Sq. Ft.
