

Hello Viperfish families!

We are so excited to get the season underway! Below is a cheat sheet for swimmer and volunteer registration for the season. **Registration for volunteering, time trials, and the first 3 meets will open Sunday, June 1st at 10:00am.** Before registering I strongly suggest you download the Swimtopia app on your phone..

Once you open the app you will see the 2025 Time Trials and the next three meets. When it comes to swim events, you will need to make your selections for stroke(s) and volunteering. Time trials are important because it gives your swimmer a baseline for the season, helps when it comes to coaches approving strokes, and determines lane assignments for the meets.

Here is an example of what Swimtopia should generally look like on the sign-up page:

First select the event, then select "Meet Signup".

A few things to note:

- After you click the "Meet Sign-up" button you will select each swimmer and the stroke(s) they will be competing in.
- For this event ONLY you can choose "Yes proceed" when it asks if the coach has approved your swimmer for that stroke.
- **For time trials**, swimmers can sign up for as many strokes as they would like including IM. Any strokes they would like to compete in during the season should be signed up for time trials.
- **During the season**, swimmers will only sign up for 3 individual events.
- Once you sign your swimmer(s) up, consider getting your volunteer hours completed early in the season. Then there is less to worry about later in the summer.
- Click this link for a video on how to sign up:
