

# ΑΔΚ CONNECT: How to join a community

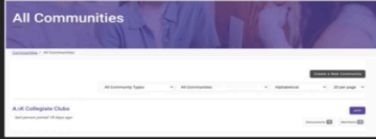

1. (Everyone is a member of ΑΔΚ All Member Community)

## Step 1: Click on “Communities” Tab

Click on “Communities” in the navigation bar. A drop-down menu will give two options: “All Communities” and “My Communities”

Click “All Communities.”

All members are automatically part of the “ΑΔΚ All Member Community.”

2. (Scroll down to find Northeast Region and any other community you may be interested in joining)

## Step 2: Join Different Communities

Click “Join” to be added to a community.

After you join a community, the “Join” button becomes a grey indicator that says “Member”.

Use filters to narrow your search for specific communities.

Select the drop-down menu. Click on the filter that helps narrow your search.

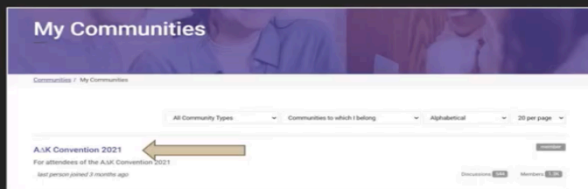

3.

## Step 3: Access “My Communities”

Click “Communities” from the navigation bar. Then click “My Communities”.

A list of all of your communities will appear on the screen. Click on the title of the community to open it.

A list of Discussions, Shared Files, and Announcements will appear in the
